Once again, KLiK Events (<http://www.klikevents.net>), will be presenting our flagship event, CINCO 3. Our headliner is Jesse McCartney, who just came off his critically acclaimed IN TECHNICOLOR national tour, and the event will take place at the Avalon Hollywood.

Los Angeles, CA ([PRWEB](#)) February 27, 2015 -- "Jesse McCartney is one of the top pop artists of the millennium, and is one of the most requested artists by our fans." says Mike Abrams, Founder and CEO of KLiK Events. "We are so happy to have him starring at our flagship event."

Jesse is a platinum recording artist, whose newest album "In Technicolor" was released in 2014, featuring his single "Superbad" which has over 2 million views on YouTube. Jesse released his first solo album "Beautiful Soul" in 2004, which went platinum, selling over 1.8 million copies. He also co-wrote the smash hit "Bleeding Love" for singer Leona Lewis, which was a #1 hit in 34 countries, won ASCAP's song of the year and was nominated for a Grammy Award. His single "Leavin'" landed him a #1 spot on the charts and was a Top 40 Radio's most played song of 2008. Additionally, Jesse earned 2 Emmy nominations for his role of 'J.R. He also showed off his acting skills in the TV series, Greek, the final season of Lifetime's hit drama Army Wives and can now be seen in ABC Family's top comedy series Young & Hungry.

CINCO 3 will be bigger than ever this year, with over a dozen up and coming social media stars, and artists. In the past, KLiK Events has presented shows featuring performers such as NASH GRIER, KALIN AND MYLES, and many others who have become huge influencers and artists.

For the first time, we will also be having JESSE'S TECHNICOLOR AFTER PARTY and DINNER at the venue following the show. Jesse McCartney will greet dinner guests, and give them a live acoustic performance, as a full three-course dinner is served. This exclusive event has limited seating.

Over the next several weeks, we will be adding more talent and artists to the show. KLiK Events is looking forward to presenting the most amazing lineup once again.
